

## BOYFRIEND APPLICATION

JOSHUA MIZZI

### Personal statement

Dear Lauren, regardless of your response to this application, thank you for who you are and how you show up to others. You are an absolute gem.

If you say no, I won't regret choosing to be kind to you, and that won't change.

If you say yes, I endeavor to be the kind of boyfriend who takes such good care of you, that when I serve you food you know I have checked inside of the tomatoes for peanuts, just in case.

Whether as your friend or something more, I look forward to whatever role you chose to have in my future.

Josh.
